solar
Lid • Light®

Designed by Colonial Tin Works, Inc.

Solar-Powered lid lights up any jar.

Our Solar Lid Lights are a standard
Mason jar lid with a solar panel
mounted flush with the top.
When it's dark, these lids light up.

- Use indoors and outdoors, water resistant
- Fits any jar with a standard Mason jar lid.
- Includes a rechargeable long-life battery, that is easy to replace.
- Automatic switch; lights automatically when dark.
