100% Cotton Tea Towels

Originally used in Europe to dry dishes and cutlery after washing, clean tea towels may be spread over a tea tray before tea things are put onto it, or used to cover warm scones or a teapot to prevent heat loss. Use them as place settings, or to dry dishes, silverware or even greens.

Care Instructions: Machine wash cold. Wash with like colors. Warm iron on reverse. Do not bleach. Do not tumble dry. Do not dry clean.
